The **St Johns Cantata Program** is an ongoing program presenting the cantatas and choral music of J.S. Bach in the context for which it was written, liturgical Lutheran church services. The services include organ music on St John's splendid 1992 Smenge pipe organ and congregational singing of chorales and liturgy. Now in its 15th year, over 100 cantatas, the B Minor Mass, the Christmas Oratorio, the Magnificat, and several Latin masses have been presented. The **St Johns Bach Orchestra** plays on original instruments; the church's original instrument collection includes a 1996 Smenge chamber organ, and pairs of oboes da caccia, baroque timpani and cornetti. The program is directed by Dr Graham Lieschke.

The program has developed substantial local and international collaborations. Dr Lieschke was awarded the 2004 Dame Roma Mitchell Churchill Fellowship to cultivate links with similar programs overseas. **St Johns Visiting Music Directors** have been Thomas Schmidt (2004, St Peter's Lutheran Church, New York), Georg Christoph Biller (2006, Thomaskantor, Leipzig, Germany) and Albrecht Koch (2010, Domkantor, Freiberg, Germany).
